

### From the Bridge

Isn't it amazing that half of the year has passed and we are already in Term 3! It was lovely to see former crew members, and welcome new crew members on board.

The start of term was very busy with swimming but, with the exception of a couple of minor bus issues, things ran pretty smoothly. Although many of the children were very tired by the end of the second week it was fantastic to see the progress that so many of them made during the fortnight. I would like to commend all of the students for the STAR behaviours that they demonstrated. I believe that is important, as well, to thank the staff, teaching and non-teaching, for their flexibility and support in making swimming run so well – a great team effort.

This week our students participated in the Interschool Cross-Country event, representing the school across the northern suburbs. Congratulations to all of those who took part.

One of the school's beliefs is that *'learning is challenging, engaging, motivating, relevant and provides opportunities for each child to succeed'*. In addition to classroom based activities there are many activities occurring this term. Some of the highlights are a visit from Constable Care, 'Book & Science' week will be combined and will include a visit from Barry Marshall, the Australian Nobel Prize Winner. We have Salty Dog, Sports Carnivals, a maths incursion, 'Talk like a Pirate Day' and, in Week 9, the whole school learning journey.

## PRE-PRIMARY ENROLMENTS — 2018

Current children enrolled in Kindy that are continuing onto Pre-Primary at ORPS must complete an application form and submit with proof of address, no birth certificate is required. Please come to the Bridge ASAP to collect a form. Please advise the school if you know your child is not returning to ORPS in 2018 across all year levels.

## KINDY ENROLMENTS 2018

We have now passed the Departments closing date for applications for Kindy in 2018. We would like to ask our families that if they know of any local families with children due to start Kindy in 2018 to please inform them that we are still taking applications and to come into the Bridge immediately and complete the necessary paperwork.

## SCHOOL DEVELOPMENT DAY—FRIDAY 18 AUGUST 2017

Students do not attend school on this day.

## P & C NOTICES

Welcome back to term 3. We have lots of exiting things happening:

### *CURRENT:*

#### **WOOLWORTHS EARN & LEARN STICKERS**

Please help us collect as many Woolworths Earn & Learn Stickers as we can. This will allow our school to 'purchase' additional resources. In previous years, we received science equipment (model volcanoes, rock samples and USB microscopes) and lots of different Dr Paul Swan's maths resources.

The sheets to stick all the stickers on are available at Woolworths and at the bridge and please drop them into the collection boxes situated in the P&C room and the bridge. Thank you very much for your help.

#### **COMMUNITY GARDEN**

Looking for 'Green-Thumbs' and keen gardeners!!

You may have noticed, Mr Merritt has been busy planting out most of the garden beds in the outdoor classroom. There are 3 oblong garden beds that are still empty – which will be used by the P&C for a community garden. So if you would like to be part of this project, feel free to just go for it. Make sure you mark out where you planted. We will be installing a money tin once the crop is ready for harvest. It will be a gold coin donation for taking some produce home out of the community garden beds. It will be great for the kids to see the parents get involved.

### *COMING UP:*

#### **NEW PARENTS AFTERNOON TEA**

Any NEW PARENTS/GUARDIANS to our school anytime this year, last term or this term, we would like to welcome you to our school community by inviting you to our New Parents Afternoon Tea, held on Monday 7 August at 1.45pm in the chart room (library). We are looking forward to meeting you there.

If you are interested to join the Sub Committee, please email Kat on [wuka10@yahoo.co.uk](mailto:wuka10@yahoo.co.uk). We have 3 people so far in the group, but would love lots more. No experience necessary! More hands make light work. This will be fabulous.

### *CURRENT:*

**SCHOOL BANKING** – from 8.15 to 9.00am. School Banking is a great way for children to learn about money and develop good savings habits. All deposited money earns tokens which can be redeem for exciting rewards. It is a great fundraising activity, with our school receiving 5% of each individual deposit made.
