

Library Bags and SURFS borrowing

For normal library sessions and borrowing of non-SURFS books, a suitable waterproof library bag will need to be brought to the library to borrow these books. We have a large amount of non-fiction books that are too large to fit in the plastic folders which are used for SURFS books.

Suitable library bags are available from the Uniform shop in Joondalup for \$13.50 each.

Our no bag, no borrowing rule applies.
