

Urgent Message from the P&C

NO AGM = no P&C = no lunches, no disco, no lost property, no second hand shop, no school banking, no pirates, no extra funds.....

Our AGM will now be held on the P&C meeting next week Wednesday 16th May, 7pm, staff room.

We need a quorum of 10 members at the meeting for it to be valid!!!!!! I've already got 2 regulars that are unable to attend.

There are also 2 positions that need to be filled:

Secretary

(Thank you Georgina for your amazing job as secretary in the last years - she is now concentrating on her full time work)

Job description: The secretary compiles the agenda, emails P&C members, takes the minutes at the meeting (dot point style), types up the minutes to send to members and keeps record of the committee members. WACSSO training is available.

This takes less than 1 hour a week. Most time is spent in the week of the meeting.

Vice President

(Thank you Eve for your brilliant support to the president in the last years - she is very busy with her sons sports club and family this year)

Job description: The vice president helps the president and steps into the role if the president is unavailable. Our president likes to run ideas past the vice president, and they work together on lots of the events/projects. This is also a good position to see how the presidents roll works, which becomes available the year after. WACSSO training is available. This takes maybe 1-2 hour a week, spread out to bits and pieces. There are weeks where there is nothing to do, and then there can be a busier week with an event on. It's fun, and this role will ensure you are informed of what is happening around the school!

PLEASE come to the meeting and consider taking on one of these positions. WE NEED YOU! Don't wait for someone else to do it - nothing gets done that way, and we don't want to lose our P&C.

Without all the office bearer positions (all other are happy to stay the same) filled, we do not have a constitutional P&C and are therefore not allowed to exist. We sit under WACSSO, which is where we are insured, and have to abide by their rules.

Thank you for supporting our P&C. Everything we do is to help give our children a better experience at primary school! Any questions, please contact me.

Kat Backhouse
ORPS P&C President
