"We got to explore different schools" Lorcan

"I liked how we got to perform in front of other people and see how they reacted" Jade

## TEACHER COMMENTS

The performances at Newman College and Coolbinia Primary School were a great success and gave the students the opportunity to demonstrate the drumming skills that they have been practicing with Mr Cobb.

Mr Cobb and I were both very proud of how the students represented Ocean Reef Primary School and have made so much progress since they started at the beginning of the year. The Year 6s were fantastic role models for the newer drummers
