# How can I learn to spell these words?

>First, what words are you comfortable spelling? That now means you only have to focus on the ones you don't know!

>Split word lists into more manageable weekly sections. Practice with 10 words each morning.

>After you have broken the words into daily lists, break the words into syllables. What sounds can you hear?

For example: consequently = con/se/quent/ly

>Find smaller words within the word that you know how to spell

For example: barbecue = bar be cue

>Find the meaning of the word and write it into a sentence

If you like to draw-

>Write your words out into different colours. Maybe write the vowels in one colour and the consonants in another

> Draw a picture that represents the word and draw it alongside the word

If you like to do sport-

>Jump into hoops or circles drawn on the floor to count out how many syllables there are in the word
