Modified School Timetable

During the 8 day swimming program we will be making changes to the current school timetable to accommodate the swimming lesson times. Because this year our assigned swimming lesson times are across the afternoon periods, it affects our normal lunch time break. Our timetable across the 8 days will be as follows;

RECESS 10:20am – 10:40am
LUNCH 11:40am – 12:10pm

The above scenario works best for both lesson times and ensures that all students have time to eat and play with a half hour lunchbreak.

CHANGING INTO BATHERS 11:30am – 11:40am

Both groups will get changed at the above time. Students will be supervised and given a designated classroom (separate male & female) for them to go to and get changed into their bathers before the lunch break. Each block will have its own male and female changing areas. There is not enough time for students to get changed at the Arena upon arrival. Students should bring a separate bag to school to carry their change of clothes, towel, goggles, swimming cap, thongs etc in.

PLEASE LABEL ALL CLOTHING
