Ship Cross Country 2021

On a beautiful Winters day the students set off to run in the Cross Country Race of 2021. Everyone put in a huge effort and it was great to see so many parents coming out to spectate and enjoy the sunshine. We saw acts of sportsmanship, people pushing through stitches and sore legs, as well as smiling faces as they finally crossed the finishing line. As Havanah said, the Year 6 girls ran a hard race and stuck together like a team. A great day was had by all. In the words of Jet from Year 6, "There were lots of hills, it was very tiring but it was also heaps of fun!" Well done to all who participated.
