# What is the Role of the P & C?

The Parents and Citizens (P&C) Association at Ocean Reef PS is made up of interested and enthusiastic parents, guardians, community members and school representatives. We meet regularly each term to discuss ways we can best support our school to deliver a high quality teaching and learning

environment.

*“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents”*

*Jane D. Hull*

*Our P&C is made up of people just like you! Through the P & C we:*

- *are given an opportunity to learn about school policies and programmes*
- *provide parents with a forum to share information and views on the running of the school*
- *fundraise to provide extra resources for the benefit of all children at ORPS*
- *help to develop community relationships*
- *develop a strong sense of school culture and support*

Anyone can join our P & C! Some of the ways you can be involved include:

- Providing input on school programs, P&C budgets and school priorities
- Assisting with fundraising or running events
- Helping with the 2<sup>nd</sup> hand uniform shop or banking
- Baking for our cake stalls or manning the BBQ
- Joining the Pirates
- Or something else...
