

INCURSION REFLECTION

WHO & WHERE

Year 5/6 Students visited from Herne Hill Primary School

Ocean Reef Primary School

June 2019

EXCURSION FOCUS

Herne Hill staff and year 5/6 students were able to visit ORPS and interact with our staff and year 5/6 students and watch the ORPS Drum Corp perform, participate in sporting activities and learn of some of the programs we run across different learning areas in the school.

STUDENT COMMENTS

We enjoyed the Herne Hill experience. Their chaplain was really nice and funny. The games were fun as well as the sport and we think both schools had a lot in common. Since our group was the only group that had four Herne Hill kids, Fynn, Charlize and Mia split up: boys with boys and girls with girls. We enjoyed playing with Kaylen and Bodie and making things with the Strawbees. At recess, we liked playing with Brandyn, kicking the footy. Over all, we enjoyed the experience. - *Kobi & Nathan*

The person who came up with this idea of Herne Hill PS coming to our school chose a very great decision, it was a great opportunity for people with a small selection of friends to make some new ones. Sport; It was a fantastic idea to do sport, and also mixing up the groups was supposed to let us learn how to use teamwork. It was a different experience and most of us enjoyed meeting new people and discovering how THEY adapted to a new environment. - *Natalie*
